RE: PLACEMENT OF CITY OF LA CROSSE MICROWAVE DISH ON BLUFF TOWER

WHEREAS, the City of La Crosse radio system has limited coverage in areas off of Highways 14/61 including the areas of the Shrine, Waterford Valley, and Pineview Mobile Home Park; and,

WHEREAS, the City has plans to put a repeater on a US Cellular tower in the area of Highways 14/61 that will improve the radio coverage for its 800 MHz system; and,

WHEREAS, in order to have connectivity to the Public Safety Communications Center, the City needs space on the La Crosse County Bluff Tower for its microwave dish and the use of one of the County's 16 T-1 lines from Bluff Tower to the Communications Center; and,

WHEREAS, the placement of the City's microwave dish on Bluff Tower enhances the public safety communications in the County and will provide better communications for the City of La Crosse Police Department, Fire Department, and Public Works Department; and,

WHEREAS, the County has ample capacity to allow this use on Bluff Tower and the use is temporary in that the City is looking to replace its system within the next few years.

NOW THEREFORE BE IT RESOLVED, that the La Crosse County Board approves the use of space on Bluff Tower by the City of La Crosse for its microwave dish subject to a written agreement between the County and City to be signed by the County Board Chair after approval by the Corporation Counsel.

BE IT FURTHER RESOLVED, that the County will not charge the City for the location of its microwave dish on Bluff Tower, but the City shall be responsible for any and all costs associated with its use of Bluff Tower.

FISCAL NOTE: There will be no cost or negative impact for the County resulting from the use of space by the City on Bluff Tower.
