RE: ADOPTION OF SOLID WASTE MANAGEMENT PLAN FOR THE LA CROSSE DISPOSAL SYSTEM

WHEREAS, Wisconsin statutes give La Crosse County the authority to undertake solid waste planning and to direct certain waste to La Crosse County resource recovery facilities; and,

WHEREAS, it is a responsibility of La Crosse County to protect public health, welfare and the environment through environmentally sound and financially responsible management of municipal solid waste; and,

WHEREAS, the reduction of the toxicity of the solid waste stream is a goal of La Crosse County; and,

WHEREAS, since 1978 La Crosse County has continually offered sanitary landfill services at the same general site utilized today and has redeveloped the existing landfill site to correct environmental problems and provide future disposal capacity; and,

WHEREAS, the existing landfill site may also provide waste processing and transfer services indefinitely; and,

WHEREAS, it is good public policy for La Crosse County to work with its neighboring governmental bodies to equitably resolve environmental solid waste issues because of the broad impact of environmental problems; and

WHEREAS, La Crosse County has developed a comprehensive Solid Waste Management Plan, dated February, 2008, as part of an effort to collaborate regionally on solid waste issues.

NOW THEREFORE BE IT RESOLVED, that the La Crosse County Board hereby adopts the Solid Waste Management Plan dated February, 2008 and directs that the Plan be submitted to the Wisconsin Department of Natural Resources for approval.

BE IT FURTHER RESOLVED, that La Crosse County commits to collaborate with governmental bodies within and outside of La Crosse County to control costs and lessen environmental impacts related to solid waste management.

FISCAL NOTE: No fiscal impact.
