**RE: APPROVAL OF HOUSEHOLD HAZARDOUS MATERIAL PROGRAM FEES**

WHEREAS, La Crosse County has operated a Household Hazardous Materials Collection Program (HHM) since 2003; and,

WHEREAS, the HHM has provided a fee based service to non-county residents, area businesses and residents (electronics recycling only); and,

WHEREAS, the fees charged are based upon disposal costs and a percentage mark-up, depending upon the specific waste stream of these specific materials; and,

WHEREAS, the hazardous material's disposal market is volatile, where the price La Crosse County pays to dispose of collected material waste often changes quickly; and,

WHEREAS, it is in the best interest of La Crosse County to have the ability to pass on increased costs or decreased costs to customers.

NOW THEREFORE BE IT RESOLVED, that the La Crosse County Board hereby authorizes the HHM program to charge fees within existing policy and within the cost range provided in the attached price list.

BE IT FURTHER RESOLVED that the La Crosse County Board hereby rescinds that part of resolution #69-11/07 which set HHM fees for non-county residents and businesses inconsistent with this resolution.

FISCAL NOTE: Revenue from these fees pays for the cost of the HHM program. The updated fee range will need to be approved annually by the La Crosse County Board.
