And pursuant to s. 59.69 Wis. Stats.: the Committee did publish and receive proof of a Class II notice of the hearing; did receive receipts of mailing of the notices to the affected Town Clerk(s); did hold a public hearing to hear testimony and official correspondence; and, did receive and consider action from the affected Town Board(s). The Committee, under s. 59.69(5)(e)4, Wis. Stats., has the authority to approve the petition as submitted; to disapprove of the petition; or, to modify and approve the petition. Having considered the entire record the Committee's recommendation is to: Approve subject to 3 conditions.

By a unanimous vote (Meyer excused), the Committee recommended approval of this mining permit subject to the following 3 conditions:

- 1. Applicant will comply with reclamation plans approved by La Crosse County Land Conservation Department:
a. Removal of material shall take place in 1-acre increments starting at the northwest corner – depth of material removal shall occur in three-foot deep increments to ensure that the cut slope is maintained at a 3 to 1 ratio.
b. All areas of disturbance shall be internally drained.
c. As the southern boundary is approached, a berm shall be constructed to maintain internal drainage. This berm is to be stabilized immediately.
d. Reclamation shall be sequential – some diversions may be required above the top of slopes to prevent concentrated flow.
e. If areas in excess of 1 acre are proposed to be open for a single project, additional information may be required.
f. The owners shall be responsible for locating any pipe that may be within the boundary of the disturbed area.
2. Applicant receive approved erosion control permit from Village of West Salem.
3. No trucks allowed past Neshonoc Road on Garland Street.
