RE: APPROVAL OF EASEMENT FOR WEST SALEM WATER TOWER

WHEREAS, Resolution #106-2/08 approved the sale of 1.43 acres to the Village of West Salem for a municipal water storage and treatment facility; and,

WHEREAS, Lot One (1) La Crosse County Certified Survey Map filed in Volume 13, on Page 7, as Document No. 1502709, La Crosse County, Wisconsin was conveyed to the Village of West Salem on June 25, 2008; and,

WHEREAS, the attorney for the Village of West Salem has recently indicated that the 30' wide Utility Easement as shown on the Certified Survey map extending from Lot (1) south to Industrial Drive was not conveyed to the Village at the time of the closing by the La Crosse County Economic Development Fund, Inc. and La Crosse County; and,

WHEREAS, La Crosse County is the owner of approximately the north 10 feet of the Utility Easement and the Economic Development Fund is the owner of the balance of the Utility Easement to Industrial Drive (approximately 312 feet); and,

WHEREAS, the Village indicates that it is rather urgent that the Utility Easement be approved and authorized by the Economic Development Fund and La Crosse County in order that the Village may complete the funding for the water tower project with the State of Wisconsin; and

WHEREAS, the grant of this Utility Easement will benefit both the Economic Development Fund and the County by providing water service to the Lakeview Business Park.

NOW THEREFORE BE IT RESOLVED that the La Crosse County Economic Development Fund, Inc. does hereby authorize its President and the La Crosse County Board does hereby authorize its County Board Chair to sign the Utility Easement Agreement with the Village of West Salem upon approval of Corporation Counsel.

FISCAL NOTE: The document recording cost to La Crosse County will be \$21.
