RE: **SUPPORT HEALTHIEST COUNTY 2015 – LA CROSSE COMMUNITY HEALTH IMPROVEMENT PLAN**

**WHEREAS**, thousands of La Crosse County residents suffer or die from preventable disease or injury each year as determined by the La Crosse COMPASS Community Needs Assessment and the La Crosse Medical and Health Science Consortium Health Status Scorecard; and,

**WHEREAS**, the La Crosse Medical and Health Science Consortium recently released "Healthiest County 2015: La Crosse," a community health improvement plan to enable the people of La Crosse to be the healthiest population in Wisconsin developed through the effort of over 50 organizations, including county employees; and,

**WHEREAS**, the County of La Crosse Board of Supervisors can play a major role in reaching this goal through the services it delivers for alcohol misuse/prevention, traffic safety, exercise, nutrition, health promotion, disease and injury prevention, and other services.

**NOW THEREFORE BE IT RESOLVED**, that the La Crosse County Board of Supervisors direct staff to take steps needed to enable the County to reach the goal of being the healthiest County in the State by 2015.

**FISCAL NOTE:** No specific County tax levy funds are requested for this effort. Instead, staff from many departments are asked to focus resources toward implementing those programs that are shown to be effective in protecting and promoting the health of the public.
