FARMLAND PRESERVATION 91.77 Ordinance Revisions 1) A county, city, village or town may approve petitions for rezoning areas zoned for exclusive agriculture use only after findings are made based upon consideration of the following: (a) Adequate public facilities to accommodate development either exist or will be provided within a reasonable time. (b) Provision of public facilities to accommodate development will not place an unreasonable burden on the ability of affected local units of government to provide them.
