RE: EVIDENCE BASED PUBLIC HEALTH SERVICES

WHEREAS, to assure the La Crosse County Health Department is providing high quality, effective public health services, the Health and Human Services Board has directed that the Department seek national accreditation as a local health department; and,

WHEREAS, to be eligible for this accreditation, a local health department must provide documentation of its delivery of new and/or updated services are evidence based as defined by the Center for Disease Control's "Guide to Community Preventive Services" or as the result of other peer reviewed research.

NOW THEREFORE BE IT RESOLVED, that the La Crosse County Board of Supervisors and La Crosse County Health and Human Services Board does hereby direct the La Crosse County Health Department to use evidence based public health programming in developing new or updating existing services.

FISCAL NOTE: No new funding is required. Staff continuing education will be focused on evidence based activities. Normal quality improvement will include the use of documented evidence based practices as one criterion for program development.
