FARMLAND PRESERVATION 91.77 Ordinance Revisions 1) A county, city, village or town may approve petitions for rezoning areas zoned for exclusive agriculture use only after findings are made based upon consideration of the following: (a) Adequate public facilities to accommodate development either exist or will be provided within a reasonable time. (b) Provision of public facilities to accommodate development will not place an unreasonable burden on the ability of affected local units of government to provide them. (c) The land proposed for rezoning is suitable for development and development will not result in undue water or air pollution, cause unreasonable soil erosion or have an unreasonably adverse effect on rare or irreplaceable natural areas. (2) Land which is rezoned under this section shall be subject to the lien provided under s. 91.19 (8) to (10) for the amount of tax credits paid on the land rezoned. If the rezoning occurs solely as a result of action initiated by the governmental unit, any lien required under s. 91.19 (8) to (10) shall be paid by the
