

Transportation Options

Individuals with Medicaid

Veyo/MTM provides non-emergency medical transportation for people on Medicaid, individuals enrolled in the IRIS (Include, Respect, I Self-Direct) program, or mileage reimbursement (Medical Assistance/BadgerCare/MAPP). To schedule a ride to and from a medical appointment, call 1-866-907-1493 at least 2 days/48 hours in advance.

Individuals who are members of a Long-Term Care Program

Adults who are disabled or have needs due to dementia or aging may be eligible for a Long-Term Care Program in Wisconsin. These programs help individuals remain independent by providing support and funding for equipment, services, and case management.

Individuals enrolled in the Family Care Program (locally through My Choice WI or Inclusa) are eligible for medical-related rides, may be eligible for transportation through their program and should contact their care worker/respective agency for more information.

If you think you may be eligible, and not currently enrolled in a long-term care program, you can discuss options and be assessed for programs by contacting the Aging and Disability Resource Center at 608-785-5700 or 1-800-500-3910.

Western TC Automotive Repair Program

- Vehicle work must fit the instructional content of the courses being taught at that time.
- We reserve the right to refuse work on any vehicle.
- Vehicles older than 15 model years will not be accepted for repair.
- After the form is submitted, you will be added to a work list and contacted if the vehicle qualifies to schedule an appointment. **No** guarantees can be made that your vehicle will be worked on.
- Work requests will only be accepted with the completion of the vehicle request form.
- You **must** be able to leave your vehicle as students can only work on them for 3-4 hours a day. Expect the repair to take longer than a repair shop.
- There is **no** charge for labor. Customers are charged for parts and materials to repair their vehicle. Parts will be marked up 25% for customer repairs. Donations to the Skills USA Auto Club are accepted.
- All parts to be installed must be purchased through the Western Parts Dept. You may **not** bring in your own parts.
- Performance parts and aftermarket accessories will **not** be installed – we will only work on factory installed original equipment.
- Customers **must** sign a repair order before any work is done.
- The instructor will schedule a drop off time for your vehicle.
- The hours for picking vehicles up are from 8 – 12 and 1 – 4.
- Located in the La Crosse industrial park at 2721 Larson St.

Scenic Bluffs

If patients have no other resources to get to Scenic Bluffs (Cashton, Norwalk, or Viroqua Dental Lab), they may be able to receive a gas gift card (usually \$10) after they have attended the appointment. As long as there is funding, and patients have attended their appointments, they can receive up to five gift cards per year. Patients can ask at the front desk once they are checked in and it is determined they don't have other transportation resources (such as MTM). The cards are fuel-only and are for local gas stations in Cashton and Norwalk as well as Kwik Trip.

Below is the link and information from the website.

Scenic Bluffs CHCs have worked hard to meet the dental needs of adults and children across our region. Our waiting list has grown as word spreads that we are one of the few dental providers to accept Medicaid and offer a sliding fee program for low-income families (Healthy Neighbor Plan). With the support of our board and an exciting new partnership with Vernon Memorial Hospital, we are now able to deliver quality dental services from VMH's Office Building.

Women's Transportation Fund

La Crosse County Community Liaison Program
La Crosse County Health Department
Lindsey Schwarz-Nichols
(608) 785-5841

The women's transportation fund (WTF) is a strict one-time financial assistance program specifically targeting women. It is a grant program funded through the Women's Fund of Greater La Crosse intended to help women become or maintain self-sufficiency. There are no requirements that need to be met except being a woman. It is very flexible as to what it can help with...insurance, driver's license, a month bus pass, a gas voucher (needs current driver's license and current insurance), a car part, a car repair (needs to be at a local auto shop), etc. Maximum of \$100.00 is paid to the vendor. A staff person can fill out this form (such as a social worker) but a client can as well.

The General Transportation Fund (GTF) is a donation from The Place of Grace. This fund is to assist men & women in maintaining or gaining self-sufficiency when they experience barriers related to transportation. Individuals can access this fund one time to help with bus tokens, a MTU month bus pass, and car registration or licensing, obtaining a driver's license, car repairs, car parts, gas vouchers, etc.

The maximum amount awarded is \$150. Payment made to vendor, cannot reimburse client or others for expenses already incurred which have been paid for.

If you know someone who needs to apply to the GTF, please contact Lindsey Schwarz-Nichols (information listed above) or complete the attached application and return it to Lindsey.

Salvation Army
