13.04 PROCESSIONS, PARADES, RUNS, WALKS, BICYCLE RACES, MARATHONS, ETC.: PERMIT REQUIRED.

(1) PURPOSE. The highways of La Crosse County are primarily for the use of vehicular travel, however, it is recognized there is a need to use these public needs for processions, parades, runs, walks, bicycle races, marathons, etc., which do not substantially interfere with the public's right to travel on such highways. This is intended to regulate and control non-vehicular use of the highway and for protecting the general welfare and safety of the persons using the highways within La Crosse County. Said authority to regulate is contained in Wisconsin Statutes, Section 349.185 and related sections.

(2) DEFINITIONS. As used in this Section:

(a) Processions, parades, runs, walks, marathons, bicycle races, etc., means their usual and customary usage.

(b) A highway has the meaning set forth in Wisconsin Statutes s. 340.01(22) and also includes areas owned by La Crosse County which are used primarily for pedestrian or vehicular traffic.

(3) PERMIT REQUIRED. No person shall form, direct, lead or participate in any procession, parade, run, walk, marathon, bicycle race, etc., on any highway under the jurisdiction of La Crosse County unless a permit has been obtained in advance as provided in this section.

(4) EXEMPTIONS FROM PERMIT REQUIREMENT. A permit is not required for assembling or movement of a funeral procession or Military Convoy. Any parade, etc., sponsored by any agency of the Federal or State government, acting in its governmental capacity within the scope of its authority, shall be required to obtain a permit; however, shall be exempt from the parade permit fee and insurance requirements contained herein. A permit is not required for any procession, parade, run, walk, marathon, race, etc., solely within the corporate limits of a city or a village within La Crosse County if the city or village has passed its own parade ordinance, or has provided evidence to the County Clerk that such event is covered by liability insurance in amounts equal to or exceeding that required by Section 13.04(18) of this Code.

(5) WHEN APPLICATION MUST BE MADE. A written application for a permit for any above described function on the highways under the jurisdiction of La Crosse County shall be made by one of the organizers or officers to the County Clerk on a form provided by said Clerk no less than 15 days prior to the usage. Application made less than 45 days prior to the day of the proposed usage must be made in person.

(6) INFORMATION REQUIRED IN APPLICATION. The application shall set forth the following information regarding the proposed usage:

(a) The name, address and telephone number of the applicant.

(b) If the usage is proposed to be conducted for, on behalf of, or by an organization, the name, address and telephone number of the headquarters of the organization, and of the authorized and responsible heads of such organization.

(c) The name, address and telephone number of the person who will be responsible for conducting the usage.

(d) The date when the usage is to be conducted and its duration.

(e) The assembly area, the starting point, the route to be traveled and the termination point.

(g) If the usage is to be conducted by or for any person other than the applicant, the applicant for such permit shall file with the Clerk a communication in writing from the person proposing to hold the usage authorizing the applicant to apply for the permit on its behalf.

(h) Any additional information which the Clerk finds reasonably necessary for a fair determination as to whether a permit should be issued.

(7) RECOMMENDATIONS OF GOVERNMENTAL AGENCIES. The Clerk shall submit a copy of the application to the Sheriff's Department and the Highway Department and the Director of the Facilities Department.

(8) BASIS FOR DISCRETIONARY DENIAL OF PERMIT. The application may be denied:

(a) If it is for a usage that is to be held on a work day during hours when and at places where, in addition to the proposed usage, the flow of vehicular traffic is usually delayed by its own volume; or

(b) If it is for a usage that is to be commenced between the hours of 9:00 p.m. and 9:00 a.m.

(c) If sufficient usage marshals are not provided as to reasonably assure the orderly conduct of the usage.

(d) If proposed route for conducting usage involves a street or highway under construction or detour route.

(9) MANDATORY DENIAL OF PERMIT. The application shall be denied:

(a) If it is made less than 15 days in advance of the time the usage is scheduled to commence; or

(b) If it is for a usage that is primarily for private or commercial economic gain; or

(c) If it is for a usage which would involve violation of federal, state, or local laws relating to use of highways or of other applicable regulations of the County of La Crosse; or

(d) If the granting of the permit would conflict with another permit already granted or for which application is already pending; or

(e) If the application does not contain the information required by sub. (6); or

(f) If more than 1 assembly area or more than 1 dispersal area is proposed; or

(g) Failure to receive permit under s. 84.07(4), Wis. Stats.

(10) PERMIT ISSUED UNLESS THREAT TO PUBLIC SAFETY. The County Clerk shall issue a permit to the applicant subject to the foregoing paragraphs of this Section, unless the Clerk concludes that:

(a) The policing of the usage will require so large a number of persons and vehicles, including ambulances, as to prevent adequate service of the needs of the rest of the municipality; or

(b) The usage will so substantially hinder the movement of police and fire and other emergency vehicles as to create a substantial risk to persons and property; or

(c) The conduct of the usage will substantially interrupt the safe and orderly movement of other traffic contiguous to its route; or

(d) The usage is so poorly organized that participants are likely to engage in aggressive or destructive activity.

(11) GRANT OR DENIAL OF PERMIT.

(a) Time When Required. The Clerk shall act as promptly as he or she reasonably can on all applications for permits after consulting with other government agencies directly affected and after consulting with the applicant, if necessary. All applications filed 45 days or more in advance shall be granted or denied not less than 30 days before the date of the usage stated in the application. Action on applications filed less than 45 days in advance shall be taken within 15 days after the application is filed, but in no case later than 48 hours in advance of the time applied for. The Clerk shall immediately, by the most reasonable means of communication, notify the applicant of such action and, if the application is denied, the reasons for denial of the permit.

(b) Modification of Requested Permit. In lieu of denying a permit, the Clerk may authorize the changing of assembly areas or dispersal areas or the conducting of the usage at a date or time or over a route different than as applied for in the permit. The applicant or permittee may accept such modification by immediately notifying the Clerk in writing, of such acceptance.

(12) FEE. A fee shall be paid at the time of filing the application for a usage permit.

(13) CHARGE FOR INCREASED COSTS. Where the County Clerk determines that the cost of County services incident to the staging of the usage will be increased because of the usage, the Clerk may require the permittee to make an additional payment into the general fund of the county in an amount equal to the increased costs.

(14) EMERGENCY REVOCATION. The County Clerk, County Board Chair, or County Administrator may revoke a permit already issued, if he or she deems that such action is justified by an actual or potential emergency due to weather, fire, riot, other catastrophe or likelihood of a breach of the peace, or by a major change in the conditions forming the basis of the standards of issuance. In lieu of revoking a permit the County Clerk, County Board Chair or County Administrator may require the permittee to file evidence of good and sufficient sureties, insurance in force or other evidence of adequate financial responsibility, running to the County of La Crosse and such third parties as may be injured or damaged, in an amount depending upon the likelihood of injury or damage as a direct and proximate result of the holding of the usage sufficient to indemnify the County and such third parties as may be injured or damaged thereby, caused by the permittee, its agents or participants.

(15) USAGE PERMIT CONTENTS. Each usage permit shall state such information as the Clerk shall find necessary to the enforcement of this Section.

(16) COPIES OF USAGE PERMIT DISTRIBUTED. Immediately upon the issuance of a usage permit, the Clerk shall send a copy thereof to the following:

(a) Permittee. A permittee under this Section shall comply with all permit directions and conditions and with all applicable laws, ordinances and other regulations of the state and County of La Crosse.

(b) Participants. No person who leads or participates in any usage shall disobey, or encourage others to disobey, this Section after a law enforcement officer has directly and presently informed him or her of any of the provisions of this Section or the terms of the applicable usage permit.

(c) No candy, gum, balloons or other objects shall be thrown or disbursed from parade floats or vehicles.

(18) INSURANCE REQUIRED. Prior to issuance of the permit by the Clerk, each permittee shall furnish evidence of a liability insurance policy in amounts of not less than \$500,000 per occurrence and \$1,000,000 annual aggregate, and shall be in force and effect at the time such usage is to take place. Said evidence of insurance shall include a certificate of insurance naming the County of La Crosse as additional insured in connection with said usage.
