With fall detection: \$44.95

Mobile based systems:

Mobile Guardian: \$39.95

Premium Guardian:

No Fall detection: \$49.95

With Fall detection: \$59.95

Something to Consider:

Smart Watches are worn on the wrist and can be used as a phone. The consumer can receive calls and dial out. Some Smart Watches can also detect falls and notify 911. Each Smart Watch has different features and costs. Wi-Fi and/or cellular service will be needed to utilize a Smart Watch.

Notes:
