

County B French Island | Clinton Street to Lakeshore Drive Roadway Reconstruction | La Crosse County

Public Involvement Meeting No. 2 | June 24, 2021
I.D. 5347-00-00

Selection of Preferred Alternative

La Crosse County is continuing to study the County B, French Island roadway reconstruction project from Clinton Street to Lakeshore Drive. You are invited to attend an in person Public Involvement Meeting to present the preferred alternative for the County B project. The meeting will be held in an open house format. Attendees are required to follow current CDC guidelines and wear masks if they have not been vaccinated. The meeting will be held on **June 24 from 4:30-6:30** at the **Days Inn Convention Center on French Island** located at 101 Sky Harbour Dr, La Crosse, WI 54603. The meeting will be held in the Mississippi/Lacrosse Room(s). Design staff will be on hand to answer your questions and discuss your individual concerns.

Due to room restrictions on occupancy, please RSVP your intent to attend the meeting by sending an email to marybeth.pettit@graef-usa.com or call her at 414-467-8912 to indicate your planned attendance. We encourage you to visit the project website (<http://www.lacrossecountyb.com>) to review project progress.

Purpose and Need: County B is experiencing a decrease in ride quality and an increase in pavement distresses. Due to the poor pavement condition, La Crosse County is proposing to reconstruct this section of roadway.

Identification of Preferred Alternative: The study team has identified a preferred alternative for the project which includes a multi-use trail on the south side of County B (Fanta Reed Road) between County BW and Dawson Avenue and the east side of County B (Bainbridge Street/Dawson Avenue) between Oliver Court and Clinton Street. Roundabouts are proposed for the following two intersections along the project route:

- County B/Bainbridge Street & County B/Clinton Street
- County B/Fanta Reed Road & County B/Dawson Avenue

Real estate acquisition will be required for the project. Permanent fee acquisition is anticipated at intersections and temporary grading easements will be needed for driveway reconstruction.
