UPDATES

Fire Drills: We recently had a drill in the early morning hours & Everyone did GREAT! Just a reminder that everyone needs to go to the area of rescue if you’re not able to make it down the stairs and outside. If you have any questions about our evacuation plan, please see Kat.

Reminder to all Tenants that we need you to sign out when leaving the building.

Visitors are required to wear masks when in our facility.

If you or your visitors are exiting our building through a side door, please assure that the door is locked behind you/them.

Snowy Weather: Just please be cautious if you are outside in these winter months. Maintenance does their best to keep things shoveled and salted for us.

EXCITING NEWS... We are getting MAILBOXES back!!! I will let everyone know the exact date for this to begin. Hopefully by the end of January.

If your family members Health Care Power of Attorney documents are activated; please inform Kat or Kate at (608)785-5500. This information is important so that we can continue to keep our tenants safe.
