In-Person Visitation

Visitors continue to be welcome, even during times of outbreak. However, we recommend following our COVID-19 protocols and postponing your visit if you have any symptoms of being ill. Reminder to always wear a mask and social distance during visits. Our visits are being held in resident rooms; hand sanitize before and after your visit. Upon request, we do have a couple of alternative locations that are available for visitation.

What's Happening in Recreation Therapy?

With summer in full swing, residents have been enjoying spending time outside in the courtyards. They have been gardening in the raised flower bed. We have been having monthly grill outs for all residents, This month we are having Fire braised chicken.

We've also been having NASA pontoon rides, flower arranging, breakfast groups, butter making and exercise to name a few programs. We've been able to start having some entertainers back for performances. Residents have really enjoyed this!

This summer we also had an Under the Sea party and a Coulee Classic Car Show.

We are lucky enough to welcome our newest Pet Therapy Dog Tika. Later this summer we will have Alpacas visit Lakeview and have a Summer Country Hoedown.
