

Surface Transportation Program – Local (STP-L)

Purpose

A new program that provides funding for improvements to local roads in rural areas (non-urbanized areas).

Funding

- The program provides funding up to 80% (federal share) of total project costs

Eligible Projects

- Road improvements on roads classified as minor collectors or local roads
- Local improvement projects on connecting highways are ineligible

Eligible Entities

- Local governments

Other Key Provisions

- Application deadline June 3, 2022 for FFY 2023

See [Wisconsin Department of Transportation Bipartisan Infrastructure Law \(BIL\) - Local Programs \(wisconsindot.gov\)](#) for more information.
