Bob Gollnik called the meeting to order at 2:31 pm.

1. Approval of minutes of the May 14, 2024, meeting.

Charlie Handy motioned to approve the minutes of the May 14 meeting; Chris Dahl seconded. All were in favor.

2. Recommendation to approve amending the 2025-2028 Transportation Improvement Program (TIP) List.

Jarrod Holter motioned to recommend to the Policy Board to approve the amendment to the 2025-2028 Transportation Improvement Program (TIP) List and Document; Charlie Handy seconded. All were in favor.

3. Recommendation to approve the 2026-2029 Minnesota Transportation Improvement Program (TIP) List.

Erin prefaced that Minnesota is on an earlier TIP schedule for adoption than Wisconsin. Key change in this amendment includes adding funding for Dresbach bridge's resurfacing project.

Chris Dahl motioned to recommend to the Policy Board to approve the 2026-2029 Transportation Improvement Program (TIP) List; Ken Harwood seconded. All were in favor.

4. Recommendation to approve Version Two of Supporting the Designation of the Mississippi River Trail (MRT) within the limits of LAPC's Metropolitan Planning Area (MPA).

Francis Shelfhout explains that WisDOT worked with MnDOT to change signing on MRT to the Wagon-Wheel Trail instead of along US 14/61. This designation update also changes the routing for the Wisconsin-Minnesota connection because of the new cycle track along 2nd Street in La Crosse. Erin clarifies that signing, in addition to routing, will be moved off of US 14/61 on to the Wagon-Wheel Trail on the Minnesota side of the MRT.

METROPOLITAN PLANNING ORGANIZATION

SERVING THE LA CROSSE (WI)/LA CRESCENT (MN) URBANIZED AREA

Jarrold Holter motioned to recommend to the Policy Board to approve Version Two of Supporting the Designation of the Mississippi River Trail (MRT) within the limits of LAPC's Metropolitan Planning Area (MPA); Joe Langeberg seconded. All were in favor.

5. Grant Program Updates: STP-U, TAP, SS4A, RCE, etc.

Erin shared presentation with high-level information regarding STP-Urban solicitation. LAPC is still waiting on funding allocation numbers. The committee is advised to share their applications with LAPC staff for review before submitting their application.

New solicitation for TAP applications is set to open soon, and the application portal will be exclusively online this round. Important notice for the group – copies of the application should be emailed to LAPC staff when submitted. Consult the WisDOT website for more details.

Bob shared an update regarding SS4A, numerous legal injunctions have slowed the review process, but it is believed that LAPC's contract is through phase 1 of its review and is still on track to be committed.

Similarly, Rail Crossing Elimination grants have been received by LAPC and La Crescent. All required documents were submitted to the FRA and are for additional information before proceeding.

The Regional Transit Authority Feasibility Study is now underway. LAPC staff have met with SRF staff, who will be leading the project. The study must be finished by April/May 2026 as required by LAPC's financial agreement with WisDOT.

6. MTP update.
