

LA CROSSE COUNTY  
Exceptional services. Extraordinary place.

## Gasoline and Used Oil

The La Crosse County Household Hazardous Materials Facility accepts gasoline and used oil provided the following conditions are met:

### Gasoline

- Gasoline must be transported in a designated red safety container no greater than 6 gallons in capacity.
- Gasoline mixed with 2-cycle oil is acceptable.
- Gas cans in good condition will be emptied and returned to the customer.

### Used Oil

- Acceptable types of used oil include crankcase oil, motor oil, small engine oil, brake fluid, hydraulic fluid, metalworking fluid and transmission fluid.
- Do not mix used oil with other chemicals. **Oils containing PCBs are strictly prohibited!**
- Used oil should be transported in a durable and leak-proof container no greater than 5 gallons in capacity.
- Used oil containers should be labeled with the words "Used Oil."
- Containers in good condition will be emptied and returned to the customer.
- 5-gallon buckets, ice-cream pails, containers previously containing other chemicals or beverage containers are not suitable containers and will not be returned to the customer.
