Blood Pressure Testing

The La Crosse County Health Department offers blood pressure testing free of charge to the public. Please call the Public Health Nursing division at 608-785-9723 to make an appointment.

To learn more about blood pressure; why it matters if you have high blood pressure; what the numbers mean; the symptoms, prevention, and treatment of high blood pressure; and resources to help you manage your blood pressure; see the [American Heart Association](#).
