OPERATOR - The violations in operating procedure or physical arrangement indicated below must be corrected by the next routine inspection or by a date specified in this report.

Comments:
Menu review and risk assessment conducted. Review date marking procedures with staff. One squeeze bottle found with a 30 day date mark where a 7 day date mark was required. The prepared date was less than the 7 day time frame at the time of the inspection.

Any operator aggrieved by an order of this department under this chapter may request a hearing as provided in ch.227 statute, if state licensed, or a local ordinance if licensed by an agent health department.
