OPERATOR - The violations in operating procedure or physical arrangement indicated below must be corrected by the next routine inspection or by a date specified in this report.

Comments:
Site visit for ex employee food safety complaint. Management did not correct violations from previous inspection. All were corrected.

Any operator aggrieved by an order of this department under this chapter may request a hearing as provided in ch.227 statute, if state licensed, or a local ordinance if licensed by an agent health department.

Person in Charge

Andrew Waldstein
