**CODE CITATION:** ATCP 75.105 (2) RESTAURANT PERMIT CATEGORY ASSIGNMENT. (a)

1. Except with respect to a prepackaged restaurant, a temporary restaurant, or a mobile restaurant base with no food preparation, the department shall assign a restaurant to a permit category by evaluating the complexity of the restaurant based on the criteria specified in Table ATCP 75.105 A.
2. A restaurant whose point value equals zero, shall be included in the simple permit category.
3. A restaurant whose point value is at least one but not greater than 4 shall be included in the moderate permit category.
4. A restaurant whose point value equals 5 or greater shall be included in the complex permit category.
5. A restaurant that has been ordered closed by a state or local health department or that has caused a foodborne outbreak within the previous licensing year shall be included in the complex category.

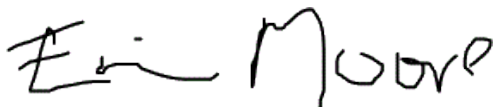

**Comments:**

Current license is not for retail food sale. Eggs do not appear to be from an approved source.  
Option to license for retail and obtain food from approved source or discontinue retail sale.

Any operator aggrieved by an order of this department under this chapter may request a hearing as provided in ch.227 statute, if state licensed, or a local ordinance if licensed by an agent health department.
