FAQ

Question: What is the emergency call cord?

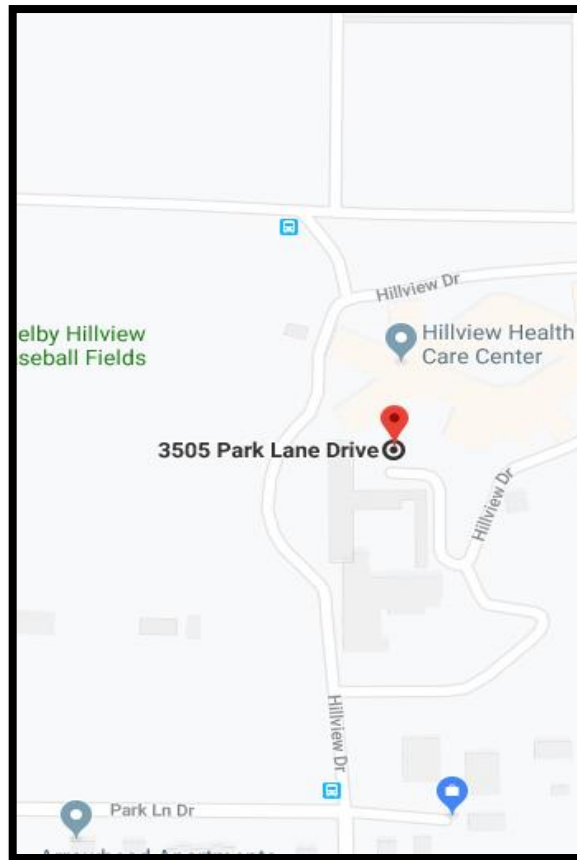

Answer: A pull cord in each bathroom at Carroll Heights acts as a BUDDY system; sounding a bell on the floor. A light above the apartment door illuminates. Other tenants see who needs help and call 9-1-1 or Hillview. A Hillview nurse will also call 9-1-1 if they are not able to perform medical care. They will stay until help arrives.

Question: Where are the laundry rooms and how much are they?

Answer: There is a washer and dryer on every floor; centrally located by the elevator. The cost for the washer is \$0.75 per load and the dryer is \$0.50 per load. They are used on a first come first serve basis.

Question: What does grocery transportation mean?

Answer: Festival sends a school bus each Wednesday for tenants to grocery shop at the village Festival at no cost.
